What is The Royal Marsden Manual of Clinical Nursing Procedures?

The Royal Marsden Manual has been the key nursing textbook for over 30 years. It sets the gold standard for nursing care, providing the procedures, rationale, and guidance required by qualified nurses to deliver clinically effective, patient-focused care with expertise and confidence.

- Provides content written by nurses for nurses.
- Empowers nurses to become informed, skilled practitioners.
- Reflects current procedures and changes in modern adult nursing practice.
- Includes over 200 procedures supported by up-to-date evidence with detailed rationales for each step of each procedure.
- Considers the clinical governance around procedures and nursing practice.
- Integrates NMC 2018 'Future Nurse: Standards of Proficiency for Registered Nurses' guidance.
- Contains new content on 'Self Care and Wellbeing,' helping nurses to care for themselves emotionally and physically.

How can I access it?

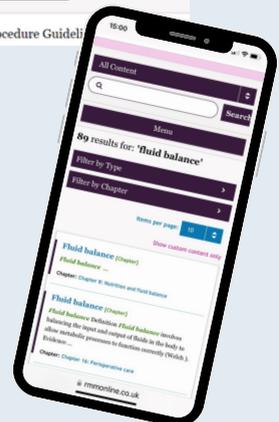

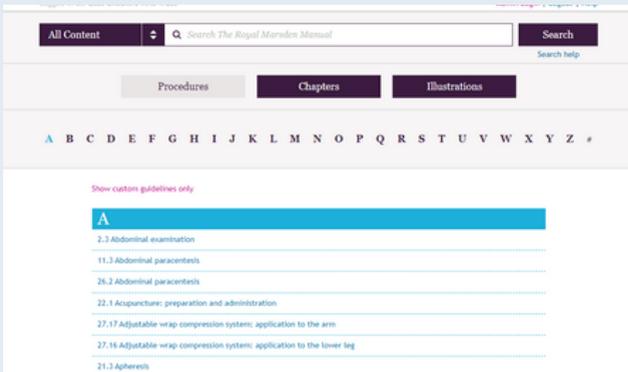

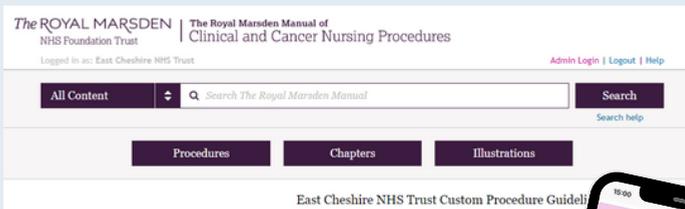

Access at www.rmmonline.co.uk. Trust PCs have a link in the Start Menu, via the library's intranet page or library website.

Click the 'Login' link in the top-right corner of the page, then click the 'Login with OpenAthens' button. Enter your NHS Athens username and password. If you don't have an NHS OpenAthens account, register for free: <https://openathens.nice.org.uk>

Search or browse the contents.

Searching The Royal Marsden

Searching The Royal Marsden is easy - enter your search terms in the 'All Content' box. Click the search button or press enter. You will be shown a list of search results, click on the most relevant to open the topic. Alternatively, click the Procedures or Chapters button and browse the A-Z list. You can jump to sections of the chapter using the menu on the left-side of the page.

Online nursing resources

The library has a wide range of resources for nursing and midwifery staff. The [NHS Knowledge and Library Hub](#) has thousands of journals, e-books, guidelines, medical databases, clinical decision support tools providing up to date evidence and information – all online and in one place. For more advanced searching, use CINAHL, British Nursing Index, AMED and Emcare. Training is available, contact us to arrange a session.

All NHS staff and students on placement have access to over 130 [Oxford Medicine e-books](#), including at least 24 titles for nurses and midwives.

NHS OpenAthens

Access to most e-resources is via an Athens username and password. These are free to set up and use. Self register at: <https://openathens.nice.org.uk>. Contact us for more information.
